SATS

Well done to all of our Y6 children who undertook the national KS2 SATs this week. They all worked really hard and we are so proud of them for their maturity, their positivity and their determination!

Our Y2 children will continue their tests next week. These will be low key activities in the classroom that the children are used to with lots of flexibility and space in between each test. We will keep the atmosphere around these calm and positive but would also ask that Y2 children are in school every day for the next week unless very ill. Thank you to all parents for the support they give to the children during these times.

STAFF NEWS

As you are aware, Mrs Earnshaw is currently on maternity leave. She has informed us that she will not be returning to school after her maternity leave has ended due to the relocation of her family. We are sad to see Mrs Earnshaw go but wish her all the best for the future. We will let parents know about staffing structure for 2018/19 in June.

GENERAL DATA PROTECTION REGULATIONS 2018

You will be aware that we have sent home a set of forms related to the new GDPR. Please complete the forms and return them to school as soon as possible. Thank you

SCHOOL COUNCIL SPONSORED EVENT

Each year the children of the school council undertake a sponsored event in school which they choose and organise themselves. At the end of this they count the money raised and meet with their classes to decide how to spend the funds to benefit all children. This year the sponsored event will take place on Tuesday 5th June and will be ball dribbling around a circuit. Last week you will have received a letter and sponsor form detailing how your child can raise money for the event and we would be very grateful if you could support the campaign, in however small a way you are able. Thank you

THANK YOU

We have a number of people to thank this week as they have contributed something to the school. First of all thank you to one of our governors, Richard Punshon who supplied all the lovely breakfast items for the children today for their end of SATs celebration. Then another one of our governors, and parent, Amanda Rose has kindly donated a laptop to the school through her husband who works for Sporforth's Town Planning. We are very grateful to them both.

WATER BOTTLES, HATS AND SUN CREAM!

Please ensure your child has a water bottle at school. We would also encourage the wearing of sun hats and bringing of sun cream. Children need to be able to apply the cream themselves.

SCHOOL LOTTERY

Our lottery winner this week was Lindsay Watson. Congratulations to her! We have now reached 83 lottery tickets sold which is wonderful so thank you to the people who have signed up. We would like to get to 100 if we could! Please click on: <https://www.yourschoollottery.co.uk/lottery/school/hoylandswaine-primary-school> to sign up or see the school website. Thank you for your support!
